

Petroleum Geological Atlas of the

Southern Permian Basin Area

The Atlas will present a comprehensive and systematic overview of the results of over 150 years of petroleum exploration and research in the Southern Permian Basin Area.

The Atlas will be available in print (A2 format) and in an interactive PDF format on DVD. As a separate product the enclosed maps will also be offered in GIS format. This publication is expected to be available at the end of 2009. Pre-order now!

Pre-order form

- Atlas € 175 (excl. shipping)
- Atlas + DVD € 225 (excl. shipping)
- Only DVD € 160 (excl. shipping)

Please fill in your details on the back of this form.
