Exhibition & Sponsor Guide
Welcome

With great pleasure we invite you to take part in the 79th EAGE Conference & Exhibition, Paris 2017, the place to be for networking opportunities. EAGE’s annual event attracts over 6,500 industry leaders and energy professionals to explore the newest technologies, state-of-the-art products and innovative services. EAGE offers a 3.5 day opportunity for your company to showcase your services, technologies, launch new products and heighten brand awareness. Take part in the exhibition and sponsor programme of Paris 2017 and build your brand recognition.

The Largest Multidisciplinary Geoscience Event

The 79th EAGE Conference and Exhibition, Paris 2017, is the largest and most comprehensive geoscience event in the world. The six-day programme includes a technical exhibition, conferences, workshops, short courses, field trips and student programme presenting the latest developments in geophysics, geology and reservoir/petroleum engineering. Whether it is your goal to have maximum exposure at the event, support a particular sponsor activity or enhance your image, Paris 2017 provides a perfect opportunity to reach thousands of geoscientists and engineers.

Including SPE EUROPEC

With this collaboration a truly multi-disciplinary event is created, with a wide diversity of geoscience and reservoir/petroleum engineering contributions.

PARIS

Paris is the capital of France and is one of the largest cities in Europe. It is a city filled with iconic architecture, great works of art and many characteristic quartiers. The history is still visible in the grandeur of the city with monuments such as the Eiffel Tower, Arc de Triomphe, Notre Dame and the Louvre. There is also a more modern, contemporary side to Paris, which includes the complex building Centre Pompidou and Musée du Quai Branly. Paris offers excellent food, great shopping and the promise of an unforgettable visit.

THE VENUE

Paris expo Porte de Versailles is Europe’s largest exhibition venue and has a fabulous view of the Eiffel Tower. Built in 1923 to host the Foire de Paris (Paris Trade Fair), Paris expo Porte de Versailles is continually being enhanced and modernized, in keeping with the spirit of the Parisian gardens. This venue has its own underground station, has multiple hotels within walking distance, and is well connected to two airports and the lovely city centre.
Why participate?

Please note that furniture is not included in the Booth Package, stands are available from 9 m². Fees are per square meter, excluding VAT and in Euro’s (€).

SPACE ALLOCATION

Completed and signed exhibition contracts received before 1 September 2016 will be handled according to the Point Priority System; companies with the highest number of points can make the first selection on the floor plan.

Please refer to the Paris 2017 website more information. Completed and signed exhibition contracts received on or after 1 September 2016 will be handled on a first come, first served (space available) basis.
3. Special Interest Areas

EAGE creates dedicated recognizable areas on the exhibition floor, committed to specific disciplines. Companies active in these fields are welcome to participate and profit from the extra benefits. Please find more information below on the different Special Interest Areas.

Benefits:
› Great location on the exhibition floor
› Synergy affect by placing companies together
› Extra exposure in EAGE publications & marketing
› Extra exposure on on-site signage
› Booth Package is included in the fees below

Consultancy Area
The Consultancy Area offers consultants the perfect opportunity to have their own exclusive area, where they can meet clients and present their services to a wide audience.
