GENERAL INFORMATION

EAGE

The European Association of Geoscientists and Engineers (EAGE) is a global professional, non-profit association for geoscientists and engineers with 19,000 members worldwide. The objective is to collect and distribute technical knowledge. EAGE organizes events and publishes a monthly magazine for its members and 5 scientific journals. All members of EAGE are professionally involved in (or studying) geophysics, petroleum exploration, geology, reservoir engineering, mining and mineral exploration, civil engineering, tunneling and environmental matters. EAGE’s head office is located in the Netherlands with regional offices in Moscow, Dubai, Kuala Lumpur and Bogota.

GSM

The Geological Society of Malaysia (GSM) is a Malaysia non-profit organisation founded in 1967 with the aim of promoting the advancement of the earth sciences in Malaysia and within the Southeast Asia region. Currently, GSM has a membership of more than 700 earth scientists of professionals, academicians, graduates and students worldwide in various Geosciences disciplines and expertise such as Geophysics, Petroleum Geology, Geo-Archeology, Geo-hazard, Disaster Risk Reduction and Geomechanics, Geochemistry, Mineral Exploration and Processing, Geo-environment, Hydrology and Marine Geology, and Regional Geology. GSM is active in organising conferences and exhibitions such as the GEOSEA and National Geoscience Conference and Exhibition (NGCE), technical talks, field trips, workshops and forums for our members, with continuous collaboration from our local and international associations, public and private universities, and our National Government Agencies. The members of GSM will be benefited by receiving the Bulletin of the Geological Society of Malaysia twice a year and Warta Geologi every quarter of the year. GSM office situated in University Malaya, Kuala Lumpur. Any enquiries regarding the membership, paper submissions, and volunteers in any GSM future development, programmes or other related matters in Geoscience can email us at geologicalsociety@gmail.com.
### ABOUT THE CONFERENCE

The Geological Society of Malaysia and the European Association of Geoscientists & Engineers (EAGE) are excited to announce that the Second Near Surface Geoscience event is coming to Kuala Lumpur, Malaysia. We look forward to welcome all of you to join us in beautiful Malaysia in April 2019.

SPONSORING OPPORTUNITIES

With an array of unique promotional opportunities, we can help you design the perfect programme to enhance your company’s experience at EAGE-GSM 2nd Asia Pacific Meeting on Near Surface Geoscience & Engineering. The Main Sponsor Programme exposes attendees and businesses to your company and promotes your presence within the industry.

EAGE strives to realize recognition, long term exposure, benefits and publicity for companies that sponsor EAGE-GSM 2nd Asia Pacific Meeting on Near Surface Geoscience & Engineering.

WHY BECOME A SPONSOR

When you’re a corporate sponsor you get high visibility in a qualitative and uncluttered environment that makes your message stand out. EAGE is synonymous with quality, with proven track records in the past. The EAGE-GSM 2nd Asia Pacific Meeting on Near Surface Geoscience & Engineering programme offers a diverse menu that’s sure to help you reach your target audience.

Sponsoring will enable you to:
• Increase your visibility before a national, regional and international audience.
• Enhance your corporate image.
• Reach an influential, exclusive audience.
• Break through the media clutter.
• Associate your company with EAGE – World’s truly multi-disciplinary geosciences society.

Please note that sponsoring opportunities are not restricted to packages in this guide. We would be delighted to explore ideas to fit your budget.
Sponsors package comes in three different categories. The sponsor program exposes attendees and businesses to your company and promotes your presence within the industry.
